Celtic Thunder is a singing group composed of male soloists who perform both solo and ensemble numbers. Celtic Thunder debuted in August 2007 at The Helix in Dublin, Ireland. They are accompanied by the Celtic Concert Orchestra under the direction of Phil Coulter, the musical director of the group. In December 2009, Billboard magazine named Celtic Thunder Top World Album Artist. Their first three albums also placed in the Top 10 for World Albums. Their live shows are known for the use of dramatic effects via lighting and choreography as well as a stage set resembling an ancient stone pathway. Paul Byrom (first left in the picture) who has been a professional tenor singer since his early teens is now pursuing a solo career (album “This is the Moment” just released).
