Special Note for Rev Twirl Change Sides; In Measure 10 Part A we are changing sides to face ending with the man on the outside facing COH. The Woman is really doing the change sides action in meas 10 by moving across the line of dance with a reverse twirl action. The Man's action is stepping back R turning 1/4 RF to open the path for the Woman to changes sides. His next step is forward L turning RF to face partner and COH. Third step for both is close.
