Sir Elton Hercules John (born Reginald Kenneth Dwight on 25 March 1947) is an English rock singer-songwriter, composer, pianist and occasional actor. He has worked with lyricist Bernie Taupin as his songwriter partner since 1967; they have collaborated on more than 30 albums to date. In his four-decade career John has sold more than 250 million records, making him one of the most successful artists of all time. He has won a great number of awards and was inducted into the Rock and Roll Hall of Fame in 1994. Having been named a Commander of the Order of the British Empire in 1996, John received a knighthood from HM Queen Elizabeth II for “services to music and charitable services” in 1998. He has been heavily involved in the fight against AIDS since the late 1980s. In 1992 he established the Elton John AIDS Foundation and a year later began hosting the annual Academy Award Party, which has since become one of the most high-profile Oscar parties in the Hollywood film industry. Since its inception, the foundation has raised over $200 million.
