The original music is by Yello, a popular Swiss electronica band consisting of Dieter Meier and Boris Blank. They are probably best known for their singles "The Race" and "Oh Yeah", which feature a mix of electronic music and manipulated vocals. "The Race was chosen as the theme music for the German Eighties pop show Formel Eins. It was also used in the movie Nuns on the Run, and in The Cutting Edge as the music for the main skaters' short program. The Race also featured in the Pink Panther movie of 2006.
